Professional Development Activities

In the table below please provide a list of participatory activities in professional organizations, leadership roles, research activities, or other relevant initiatives to maintain clinical/practice expertise. These activities are 'supplemental' to your direct CEs undertaken and offer an overview of how you are continuing to support your professional development, since the last renewal period.

DATES	PARTICIPATORY TYPE ACTIVITY (Professional org; Leadership; research; other)	NAME OF PLACE/ACTIVITY	SUMMARY OF HOW LEARNING HAS SUPPORTED YOUR PRACTICE
