

# INEBRIA / ICUDDR Thematic Meeting 2026 Sponsorship Information

**April 16-17, 2026**

Makerere University School of Public Health  
Kampala, Uganda

**Hosted by:** International Network on Brief Interventions for Alcohol & Other Drugs (INEBRIA), International Consortium of Universities for Drug Demand Reduction (ICUDDR), Makerere University School of Public Health, Uganda Ministry of Health, & WHO SAFER Initiative.

## About the Meeting:

This international thematic meeting convenes researchers, academic leaders, policymakers, and implementation experts to strengthen workforce capacity for Screening, Brief Intervention, and Referral to Treatment (SBIRT) across Africa.

## The convening uniquely bridges:

- Scientific evidence
- University-based workforce development
- Ministry-level policy leadership
- Implementation science and systems change

## Sponsors gain visibility among:

- University leaders and faculty
- Public health officials
- Ministry representatives
- Implementation researchers
- Workforce development organizations

## Sponsorship Levels:

### GOLD SPONSOR

#### Premier Visibility & Strategic Alignment

Includes:

- Prominent logo placement on conference website
- Logo placement in digital conference program and materials
- Verbal recognition during opening session
- Logo included in pre-conference email communications
- Recognition in at least two social media posts (before and/or during the conference)
- Logo included on sponsor slide displayed during session breaks
- Opportunity to provide a one-page digital resource shared with participants
- Acknowledgment in post-conference follow-up email
- Recognition in any conference summary or proceedings document (if produced)

Gold sponsors are recognized as leading supporters of SBIRT implementation and workforce development in Africa.

**\$2,000**

### SILVER SPONSOR

#### High-Visibility Supporter

Includes:

- Logo placement on conference website
- Logo placement in digital conference materials
- Recognition on sponsor slide displayed during breaks
- Recognition in at least one social media post
- Acknowledgment in post-conference follow-up email

**\$1,000**

## BRONZE SPONSOR

### Recognition Support Level

Includes:

- Logo placement on conference website
- Name listed in digital conference materials
- Inclusion on sponsor slide displayed during breaks

**\$500**

## CUSTOM PACKAGE

Organizations may choose to support specific components of the meeting, including:

- Travel scholarships for African participants
- Food and beverage support (tea breaks, working lunches)
- Student participation support
- Printing and signage support (banners, name badges, directional signage, on-site materials)

Sponsors supporting these elements may be acknowledged on related signage (e.g., “Tea Break Sponsored by...”), aligned with their level of contribution.

Custom sponsorship packages may be tailored upon request.

**CUSTOM**

While SBIRT is widely recognized as evidence-based, sustainable implementation requires:

- A trained and competent workforce
- Integration into academic programs
- Alignment with national policy priorities
- Systems-level coordination

This meeting brings together scientific leaders, universities, and policymakers to strengthen the addiction workforce across Africa.

Your sponsorship directly supports dialogue and collaboration that advances evidence-based care and workforce development on the continent.
